

PER-K™ ESSENTIALS FOR SUCCESS™

WORKSHOP FOR PSYCH-K™ FACILITATORS ONLY

Intention of Workshop: Create a transformational leap in your own business while learning how to use PER-K™ with your business clients in one-to-one sessions.

Why this Workshop:

PER-K™: Essentials for Success™ is a workshop designed to be taught independent of PSYCH-K™.

Many PSYCH-K™ Facilitators have asked to understand and experience PER-K™.

We honor that at a minimum you have previously attended the PSYCH-K™ Basic workshop and are familiar with Muscle Testing, New Direction Balance, Resolution Balance and VAK to the Future.

This specialized PER-K™ workshop will provide you with a greater understanding and experience of how to incorporate PER-K™ within your role as a coach, consultant, trainer, business person or as an entrepreneur.

Elaine shared:

“ PER-K™ for PSYCH-K™ Facilitators gave me a new expanded context in which to apply my PSYCH-K™ knowledge. I have successfully supported small business clients to grow their client base, identify and expand their business vision and increase their personal and professional fulfillment and prosperity through applying the PER-K™ principles during these focused sessions. My clients have been thrilled with the results! Happier employees, Happier leaders, and more satisfied customers! ”
